5. [REDACTED] David Abshire, Assistant Secretary of State for Congressional Relations, said he talked with Senator Case on Friday about the Radios and both he and Case believe they have enough votes to get the Radios' legislation out of committee despite problems with Senators Fulbright, Church, and Pell. According to Abshire, Church is irritated with the Radios because they did not advise him of their Government connection when he assisted them in fund raising some years ago, and Senator Pell has a problem with Radio Liberty. According to Abshire, Case hopes to have the bill brought up for a vote in committee this week.

6. [REDACTED] At the Director's instructions, called Mrs. Mildred Ward, Senator Stennis' personal secretary, and tentatively set 2:30 p.m. tomorrow (20 July) for the Director to meet with the Senator.

7. [REDACTED] Senator Ernest Hollings (D., S.C.) called to say he would like a general briefing on China. I explained that we were not in any position to go into projects and implications of U.S. negotiations with Peking, but would be glad to give a briefing on ChiCom military, economic, and internal political developments and perhaps say something about Sino-Soviet relations. Hollings said this would be fine. We later fixed a time of 11 a.m., Tuesday, 20 July for the meeting.
